2018 Instructor Coordinator Refresher/ Training Officer Update

Course Objectives

This course will cover information on various instructor resources, testing and evaluation tools, changes to the National Continued Competency Program, and a look at changes for the future in EMS training and testing in North Dakota. **This course is NOT for initial Instructor/Coordinator certification .**

Topics to be Covered

-Instructor Alignment

-NCCP

-Scenario Writing

-Student Evaluation/Exam Prep

-Portfolio/ Scenario Testing

Note: Instructor Coordinators must have taught an initial primary EMS course during their current I/C certification cycle to meet the requirements for recertification. I/C's who attend the refresher and have not met this requirement for recertification will be recertified as a CEC.

These 2 schedules classes are the only I/C Refresher courses currently scheduled in 2018.

What is needed for I/C License Renewal?

- Complete an 8 hour Instructor Coordinator/ Continuing Education Coordinator Refresher
- Have at least a 70% pass rate in both cognitive and psychomotor examinations for NREMT primary certification courses.
- Have participated as the course coordinator or primary instructor in at least one initial EMS training course within the 2 year licensure period.
- Persons that are employed or affiliated with a licensed training institution may submit documentation of 8 hours of adult education training to satisfy the relicensure requirements.
- **CECs are only required to take the 8 hour refresher course.**
