

February Monthly Newsletter

Greetings from the ND EMS Association Office

This January and February has been different at the office. By now have normally I have been to 3 conferences and getting everything in order for the Annual Conference. With events be mostly virtual, I miss the great conversations and great people at the conferences. It will just make conferences in 2022 even better!

Until then, I will continue working on the Virtual EMR/ NCCR Day and the 45th Annual ND EMS Virtual Conference.

Please don't hesitate to contact the office with any questions you may have. I don't have the answer, I can direct you to the person who does.

Thank you for being a member of the NDEMSA and I hope to see you in person very soon!

Corrie
