Students on their way to becoming EMS providers now have an opportunity to get involved in the North Dakota EMS Association in a special way! NDEMSA has now launched a student membership program that is FREE for students enrolled in state (ND) authorized Emergency Medical Responder (EMR) and Emergency Medical Technician (EMT) courses. Students who sign up will receive a membership that is good until December 31st. Remember, this FREE membership is one-time-only for individuals enrolled in EMS training at the EMR and EMT levels. Return the “Membership Form” or see your instructor for more information!

Networking
Join a group of EMS providers with similar interests and all working toward a common goal. Becoming a member of NDEMSA is a great way to meet and network with hundreds of other EMS providers from around the state.
